LUNCHEON KEYNOTE SPEAKER:

Lynette Findley, PhD

President, Lynette Findley & Associates, LLC

State Coordinator, Michigan ACE Women's Network

Dr. Lynette Findley has over thirty-six years of progressive leadership and entrepreneurial experience serving as a change agent in the creation, development and implementation of long-term best practice programs that benefit middle school, high school and college student success. She is known for creating national model mentoring programs and summer residential programs for middle and high school students that guaranteed their entrance and success in college. As a result of her creative entrepreneurial skill set in educational program development, Dr. Findley designed and implemented all of her positions in her twenty-nine years at Eastern Michigan University where she served in seven promotional positions which yielded qualitative and quantitative results during this period. Dr. Findley is currently in her second year as State Coordinator of the Michigan ACE Women's Network which is considered to be THE VOICE of women in higher education in the state of Michigan.

The tradition of honoring colleagues, whether faculty, staff or student, with individual personal reflections of the extraordinary accomplishments that go unacknowledged continues. You are encouraged to pay special written tribute to a colleague whose day-to-day contributions have positively impacted your life and perhaps the lives of others. All written tributes will be displayed in the Women Matter program. **Send written tributes to: wrc@msu.edu with "Women Matter" in the subject line by Friday, April 29, 2016 to be included in the program.**
